MINOR in MATERIALS SCIENCE AND ENGINEERING

Materials Science & Engineering Program Plan of Study

Please complete this form and bring to the MSE Program Office for approval one year prior to your degree completion.
The completed and signed form must be brought to the Registrar's Office.
Students are not permitted to declare prior to this time.

Student's Name: _____

Student's Phone Number: _____ E-mail Address: _____

PeopleSoft Number: _____ Major: _____

Major Advisor's Name: _____ Anticipated Graduation Date: _____

The Materials Science and Engineering Minor requires the completion of 15 credits distributed as follows.

Required Courses:

	Credits:	Semester/Year:
MSE 2101 - Introduction to Structure, Properties, and Processing of Materials I (or MSE 2001 - Materials Science and Engineering I)	3	_____
MSE 2102 - Introduction to Structure, Properties, and Processing of Materials II (or MSE 2002 - Materials Science and Engineering II)	3	_____

9 credits selected from:

	Credits:	Semester/Year:
MSE 3000-level Courses:		
Course Name and Number: _____	_____	_____
Course Name and Number: _____	_____	_____
MSE 4000-level Courses: (but not more than 3 credits of independent study or directed research)		
Course Name and Number: _____	_____	_____
Course Name and Number: _____	_____	_____
BME 3700 – Biomaterials	4	_____
CHEG 3156 – Polymeric Materials	4	_____

I approve the above program for the Minor in Materials Science and Engineering:

Minor Advisor (print name): _____

Minor Advisor (signature): _____ **Date:** _____
