

# ATERIALS SCIENCE & ENGINEERING

## MSE Schedule of Graduate Courses Fall 2018

Please note: This list is intended as a guideline. Unforeseen circumstances may necessitate updating this plan with more or fewer courses.

MSE 5001	Principles of Materials Engineering	Staff
MSE 5301	Thermodynamics of Materials (GC) (DL)	Dr. Avinash Dongare
MSE 5320	Investigation of Special Topic: Behavior of Composites (DL)	Dr. Rajiv Naik Dr. Greg Ojard
MSE 5322	Materials Characterization (GC)	Dr. Jasna Jankovic
MSE 5334	Structure and Defects in Materials (GC)	Dr. George Rossetti
MSE 6401	Graduate Seminars in Materials Science and Engineering	Dr. Seok-Woo Lee, Dr. Serge Nakhmanson

(DL) = Also offered as Distance Learning for MEng Students

(GC) = Graduate Core Course
